

tenor saxophone
rehearsal material

echoic memory capsule (2019), by rama gottfried

this figure appears several times

repeat the sequence between the repeat marks, as fast as possible for the duration of the line that follows (breathing when necessary).

accidentals are not carried through to other notes, they are only valid for one note. If there is no accidental that means it is a natural.

if you have any questions please feel free to contact me at: rama.gottfried@hfmt-hamburg.de
